Healthcare Access – Anytime, Anywhere

The Coronavirus continues to evolve and we want to assure you we are committed to supporting the health and well-being of our associates. As we navigate through this situation together, please be reminded that Teladoc* is here to help.

Coronavirus (COVID-19) is a respiratory illness caused by a virus. It is contagious and includes symptoms like fever, cough, and shortness of breath. The risk in the U.S. is currently low, but knowing how to protect yourself is key.

If you believe that you have symptoms of the virus, or have questions about it, Teladoc doctors are available 24/7 to evaluate your risk, answer any questions, and help with next steps if necessary. **To talk with a doctor, call 800-835-2362 or visit [Teladoc.com](https://www.teladoc.com).**

General medical Teladoc consultations are provided at no cost to associates enrolled in an eligible Compass Group medical plan. Mental health Teladoc consultations have a \$50 copay for those enrolled in an eligible Compass Group medical plan. The services offered to those enrolled in a Regional HMO plan may vary.
